Trainers: Training was conducted by moderators of European trainers. Margareta Bergman, Christina Edstrom, Anna-Karin Hogfeldt, Leif Kari, Elizabeth Keller, Anders Rosen, Emma Stromberg, Margareta Norell Bergendahi, Linde Rose, Victor Cordas and Student Youth Representative led the training.

The sessions included discussions and group work on a range of topics. The purpose of the training was to share experience, analyze standards applicable to the European space, and become familiar with lifelong learning methods. The training included presentations on the Swedish Higher Education Model, Quality Assurance from National to International Level, Community Engagement, Global Sustainability, Student Organization, Student Engagement in Program Writing.

On October 18, a roundtable was held to mark the national holiday of the Republic of Azerbaijan. Employees of universities in Argentina, Korea, China and Sweden also participated in the event with Azerbaijani representatives, prepared a video clip of the words of the Great Leader and broadcast it on video sites. The Round Table, dedicated to the Independence Day of the Republic of Azerbaijan, was followed by an informal dinner. The last day of the training host institution organized campus tour. The campus of KTH was the best one in the world.

In the end the event the evaluation forms were filled in. Certificates were presented to the participants.

The event was attended by representatives of Azerbaijani universities and specialists.

The trainers were professionals and positive and gave much effort.
