Topic: Quality Assurance System: 2 cases of LT HEIs

What we have learned new?	Where we will apply this?	Remarks	Suggestions
1.What is the procedure for designing and approval of study programs in MRU 2. Preparation of student guide for local and international students 3. Organizing different types of courses for teachers and students. 4. Preparing the policy for the quality assurance. 5. Role and importance of career center	1.For regulation of designing programs and their approval at the university 2. For making clear all procedures for local and international students 3. We can apply within the faculties and departments 4. In the quality assurance center 5. Within the educational department.	Some slides are not readable. Please post them to our mail address We would like to have sample of survey for alumni satisfaction	To get detailed information about internal audit procedure
