

AZERBAIJAN COOPERATION UNIVERSITY REFLECTION

EQAC Sweden Meeting Agenda

Royal Institute of Technology, Stockholm, Sweden, October 14-19, 2019

1stDay: Monday, 14/10/2019

On this day, we greeted by the organizers of the trainings and got acquainted the participants coming from various countries. Then we got aware of our main agenda. After the introduction, we got information about CDIO - INITIATIVE is an innovative educational framework for producing the next generation of engineers. After the lunch, the lecturer presented enhancing Higher Education Strategies for change at KTH.

2nd Day: Tuesday, 15/10/2019

On the second day, We really got beneficial information about how to improve student learning in lectures. She shared us valuable information and practice about technical solutions to implement solutions were demonstrated. After the lunch, the next step was Guided Tour and study visit at KTH:

Wednesday, 16/10/2019

On the third day of the training KTH speaker gave the interesting lecture about Sustainable development. It was really beneficial for us. The main idea of the lecture is about the urgent need for transformations towards a sustainable society will require changes of the higher educations. This session introduced the concept sustainable development and explore UN. Then workshops were organized and each team presented their own work.

4th Day: Thursday, 17/10/2019

On the fourth day of the training, the session went on by KTH speakers and they held the session for Challenge Driven Education as well as Facilitation of collaboration and learning. After the lunch the next session was devoted to the exercises on the supervision and coaching of student teams in various situations. For me, this session made a great impression on me. We created groups in 4-5 people and analyzed different difficult situations. That was very interesting and useful.

5th Day: Friday, 18/10/2019

On the last day of the training, all the participants again took part in the workshop dedicated to strategies for change. The main aim of the workshop was to share and explore strategies for implementing educational change. Curriculum, staff, organizational and student level aspects were included here. At the same time the Student Union at KTH shared their ideas and experiences on strategies for educational change.
