

## **Questionnaire regarding the quality of teaching the subject of the studies**

By this questionnaire we seek to find out your opinion *about the quality of the subject that you studied, its strong points and its fields which could be improved*. The results of the questionnaire will be used to improve the quality of the studies. The questionnaire is anonymous.

Thank you for your cooperation!

Please mark **only one** variant of the answer in each row.

### **General information about a respondent**

*Faculty:* (compiled automatically)

*Cycle of studies:* (compiled automatically)

the first level (Bachelor studies)

the second level (Master studies)

the third level (Doctoral studies)

*Studie programme:* (compiled automatically)

*The year of studies:* (compiled automatically)

*Group:* (compiled automatically)

*Membership in student organizations:*

I am a member of a student organisation (please indicate the name\_\_\_\_\_)

I do not belong to any student organisation

*Status in the labour market:*

I am employed

I am unemployed

*For how long do you work in a week:*

I have full-time job and work every day

I have half-time job and work every day

I have less-than-half-time job and work every day

I have a rolling rota job for every few days

I have a rolling rota job for days and nights

*What is your job:*

My job is related to the profession of my studies

My job is partially related to the profession of my studies

My job is not related to the profession of my studies

*Age:*

18 – 20  
 21 – 23  
 23 – 30  
 31 – 40  
 41 and older

*Gender:*

male  
 female

*The (annual) average of academic record: after filling in the questionnaire it is automatically attributed from IS system (if it is possible)*

*The lecturer (please select the lecturer from the list who taught this subject during this term):*

*Teaching forms:*

lecture  
 seminar  
 exercises  
 lecture/seminar  
 internship

### **The diagnostic unit of the motivation of a respondent**

*Your attitude towards the studies of the subject* (only one variant of the answer is available)

I have studied the subject in systematic and responsible manner

I have studied only to such an extent so that I could receive a positive evaluation

I haven't got enough of time nor wish for the studies, therefore I relied on accidental success during the examination

Other (please specify)

*Your attendance* (please opt only for one variant of the answer)

I have consistently attended all lectures, seminars and practical classes

I have consistently participated only in seminars, practical classes and mid-term tests

I have missed many lectures, seminars and practical classes

I haven't attended lectures and seminars (practical classes) as I have studied on my own

Other (please specify)

*An opinion of the respondent about the quality of teaching the subject of the studies*

**Based on your opinion, please select and tick the most suitable description (answer) provided for every given statement (question):**

***The content of the study subject, objectives and results, professional ethics***

	I fully agree with it	I partially agree with it	I do not have my opinion on that	I tend to disagree	I completely object to that
<i>At the beginning of the term the program of the taught subject, the schedule of the classes, the results of the</i>					

<i>studies, a list of compulsory and optional literature are clearly defined</i>					
<i>The requirements, defined at the beginning of the studies, did not change throughout the studies</i>					
<i>The lecturer is tolerant, he/she never discriminates against attitudes, nationality, clothing style, gender etc.</i>					
<i>The lecturer have sufficient English language skills</i>					
<i>The communication with students is performed in professional and proper manner</i>					
<i>The established schedule is followed (the classes start and end on time, all the classes/seminars/exercises etc. take place)</i>					
<i>The lecturer can be usually found at the time of the indicated individual consultations (reception hours), consults additionally by e-mail, Moodle environment.</i>					

**Remarks regarding the questions of this section**

--

***The methods of teaching and learning***

	I fully agree with it	I partially agree with it	I do not have my opinion on that	I tend to disagree	I completely object to that
<i>The teaching of the themes of the subject is consistent and clear</i>					
<i>The material of the studies is provided in such a way so that the taught subject is interesting to the students</i>					
<i>The selected study methods help to understand the subject</i>					
<i>The tasks of independent work help to join theory and practice</i>					
<i>Independent thinking is encouraged to express one's own opinion, analyse, discuss and criticise things</i>					
<i>Options are created to choose the way to complete independent tasks (for example to choose a topic and to introduce it in a creative way etc.)</i>					
<i>The attention is paid to the complicated issues for students, by giving additional time to clarify them</i>					

**Remarks according to the questions of this section**

--

***The evaluation criteria***

	I fully agree with it	I partially agree with it	I do not have my opinion on that	I tend to disagree	I completely object to that
<i>The procedure, methods and criteria of evaluation of study results are explicit from the beginning of the studies of the subject and they are followed.</i>					

<i>The accumulative evaluation system is applied for evaluation of the study results</i>					
<i>The deadlines for completing the works are real</i>					
<i>It is enough of time allocated for commenting on the works, completed by the students</i>					
<i>The information about advancement is always available during all the studies of the subject</i>					
<i>Academic dishonesty (copying from somebody else, plagiarism etc.) is not tolerated</i>					

**Remarks according the questions of this section**

--

<b><i>The material and tools for independent studies of the subject</i></b>	I fully agree with it	I partially agree with it	I do not have my opinion on that	I tend to disagree	I completely object to that
<i>I used the material delivered by the lecturer during the lectures, which can be found in virtual environment „Moodle“</i>					
<i>The sources of the studies could be found in University library</i>					
<i>During my studies I used the data bases, subscribed in the library</i>					
<i>The required equipment is provided for the studies of the subject (if applicable)</i>					

**Remarks regarding the questions of this section**

--

<b><i>General evaluation</i></b>	I fully agree with it	I partially agree with it	I do not have my opinion on that	I tend to disagree	I completely object to that
<i>The knowledge and skills, acquired during the lectures of this subject, will be useful for me</i>					
<i>I am satisfied with the quality of the content (topics) of the study subject</i>					
<i>I am satisfied with the quality of teaching the study subject</i>					
<i>I would recommend employ the teacher of this subject for next study year.</i>					

**Additional remarks or comments (what was best, most effective or weakest in teaching this subject, whether your expectations etc. were met etc.):**

<b><i>Positive, strongest points</i></b>	<b><i>Remarks, suggestions, shortcomings</i></b>
<i>I liked most of all...</i>	<i>I did not like at all...</i>
