Training Output:

From the training which took place in Vilnius, Lithuania between 18.11.2019-22.11.2019, participants of our university (SSU) including Vice-Rector for Teaching organization and training technologies, Head of International cooperation office and Head of Quality Assurance Department learned related training topics. Additionally, the importance of sustainable development and its integration to the learning outcomes of study programs was thought during conference. Various teaching tricks and different methods (Fish born diagram) to organize and involve all students to the group discussion were debated. Lots of workshops were done during session and presented to other groups.

Evaluation of Agenda:

The Agenda was compact and everything was taken into consideration for better training.

Evaluation of Trainers:

All trainers did their bests to cover all topics which had been given agenda. Topics such as QPR AND QMS, Group Work, Individual task, Workshops were done successfully. Trainers were professionals and positive.

Evaluation of Management

Although less people attended in Lithuania training with comparison to other trainings, all staff was coordinated and managed very well by the Coordinator University, Baku Business University. Any negative notes.
